

HOW MUCH SHOULD I PRACTICE?

THE QUICK ANSWER IS ALWAYS MORE !

For beginner students, from 20 to 30 mins. DAILY.

For intermediate students, from 30 to 45 mins DAILY.

For advanced students, from 45 mins upwards DAILY.

The answer really depends largely, on the level of commitment one has for music, the degree of satisfaction and the pleasure one receives from playing a musical instrument.

MAKE PRACTICE PART OF YOUR DAILY ROUTINE.

WHAT SHOULD I PRACTICE?

PLAN your practice sessions to include, tone development, scales, technical studies, sight reading, articulation and try playing with dynamics and expression and to make whatever you play sound musical.

- * Always finish your practice session on a good note.
- * Do not let anything INTERFERE with your 'practice
- * It is important to practice in a quite and relaxed environment, away from television, computers and other distractions.
- * Learn the NEED to practice, enjoy practicing.
- * Insist on a BEAUTIFUL sound when you play.
- * Pay attention to EVERY note.
- * Remember- YOU are only limited by the scope of your
- * IMAGINATION and AMBITION.
